Art Unit: 1711

1. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose, contemplate nor show motivation to make a hydrophilic polyurethane open-celled foam containing at least one skin conditioning agent and made by the reaction of a mixture of water, a hydrophilic polyurethane prepolymer and at least one skin conditioning agent. The closest reference of record, Palinczar et al discloses making an open-celled hydrophilic foam similar to claimed foam however said foam is impregnated only with volatile materials which are not used for being applied or in contact with the skin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Morton Foelak whose telephone number is (703) 308-2442.
